NHSVDC is the original dance group at NHS and was established in 2007. We are an after school performance-based dance company that offers unique performance opportunities. The season begins with summer intensives in July & August, followed up with Pep Rally intensives in late August. Our season ends with our Annual Performance in February. Our dancers perform in the NHS fall pep rally, NHS Boys & Girls Varsity Basketball Games, Homecoming & Lighted Parade, Annual Performance, and a variety of other community events. In 2015, NHSVDC was honored to be selected to perform at Walt Disney World and made NHS history as the first group to ever perform there. In addition to our excellent coaching staff, dancers have the opportunity to expand their dance training, knowledge & experience through choreographing their own pieces. Most importantly, the dancers learn how to work together as a team and build life long friendships. Upon completion of one season, dancers receive a NHS varsity letter.
